VOTE FOR SINN FÉIN.

SINN FÉIN will administer the public services for the nation, and in this work will see that no man or woman is unjustly treated. It will show no vindictive spirit towards its opponents. It offers Justice and Brotherhood—not Flogging and Tortures.

SINN FÉIN will abolish the murder gangs and secure the life, liberty and property of the people.

SINN FÉIN will extend fair play to every citizen whatever his or her opinions, and give preferential treatment to no class or creed or party.

SINN FÉIN will reform the present burdensome and expensive legal system, will abolish secret military courts, will re-establish trial by jury, and so secure that **EVERY MAN CHARGED WITH AN OFFENCE SHALL HAVE A FAIR, FULL AND OPEN TRIAL.**

SINN FÉIN will take immediate steps to end unemployment by undertaking remunerative works of reconstruction, arterial drainage, the utilisation of the water power and peat resources of the country, the improvement of docks and harbours, the building of Mercantile Marine, the development of the agricultural and fishing industries, and the provision of houses for the workers. It will secure the completion of Land Purchase and will redress the grievances of uneconomic land holders.

SINN FÉIN will foster and protect Irish Industries.

SINN FÉIN will give the Irish Language its rightful place in the life of the nation.

SINN FÉIN will reform the Educational System and secure equal opportunities for all.

SINN FÉIN will abolish the Censorship of the Press.

SINN FÉIN WILL OFFER TO ENGLAND NOT *ALLEGIANCE*, BUT A *PEACE* BASED ON THE SOVEREIGNTY AND INTEGRITY OF THE IRISH NATION, THAT WILL REMOVE FROM HER ANY PRETEXT FOR MAKING WAR ON US.

SINN FÉIN will offer to North-East Ulster peace based on such a measure of local autonomy as is consistent with the unity of all Ireland.

SINN FÉIN will aim at wiping out as speedily as possible all internal dissension and bitterness arising from the past, so as to secure the greatest possible effort in achieving a **REAL PEACE**, and the fruits and blessings of peace.

Sinn Féin CAN Do This.
